Prospect, I look forward to knowing you for a long time. We both have 2 good companies.

You like the products of your company. Please keep buying them but please consider making your money with the best pay plan ever seen in 100 years.

See the Nutronix 24 hour recorded Webinar www.nutronixworld.biz. It is only 8 minutes in duration. (In addition to filling the 2x15 matrix in this Webinar with all of the people from the infinity fast start coded bonus system, we also are using the same people to fill our 9 level deep compressible unilevel with its 10% infinity bonus.)

This is a new pay plan from an 11 year old company, Nutronix. (Started December 1, 2009. Several have groups of **over 900 only 3 month later**).

Many millionaire networkers are joining. Another Blue Diamond distributor from another company joined last week and has placed 50 sales of the \$89 package and receive directly $\$60 \times 50 = \3000 fast start. He has 50 in his 2x15 to infinity spill over matrix and 50 on level one of his 9 level compressible unilevel. This unilevel has its own 10% infinity component.

This is the start of his weekly pay fast start to infinity deep of many \$60 checks. When the first 2 of these 60 get their first 2 he gets $\$60 \times 100 = \6000 . This keeps doubling vertically forever. The \$60 payments renew annually. All of the people are also in a 2x15 spill over matrix that pays over \$300,000 per month. All on a \$89 autoship. He can qualify for many of these 2x15 matrices as he would like. The 2x15s overlap and can magnify the income in the 2x15 overlapping matrices to over \$12 per person per month. All on an \$89 autoship.

Although heavy hitters are starting many personal fast start coded legs you only need 2 to get as much as over \$300,000 per month in a spill over 2x15. Not a binary. No balancing. Virtually 100% match. When someone under you makes \$10,000 per month from their 2x15 you also can make the same \$10,000 per month.

You also get many of your products with no MLM markup. That is a 50% reduction in cost. People can finally afford to buy the products for their family. This is a first in Networking. No company will be able to compete.

Our coded weekly pay system not only provides people to fill a 2x15 matrix but the same people fill our 9 level deep unilevel with a 10% infinity component.

2nd click watch www.nutronixrevolution.com Use the ID number of your contact to join.

If you'd like to order Silver Sol as a customer without any obligation of referring others, go to <http://321earn.com/i/bp11564> (To use this link to send to others, put in your own capture page number in place of bp11564. You will have your own number after you join.)

However, you may like to earn commission by referring others. The potential is over \$130,000 per month in a "friends helping friends" is a fresh new networking compensation plan....this is unlike ANY networking compensation you've EVER known of. This is literally a networkers' dream actualized by networkers! SEE HOW: www.nutronixworld.biz

To Join the Revolution to be able to order at a discount and lower stress and gain health with one of the biggest stress relievers known to man, "more money", go here www.nutronixrevolution.com . You may want to send both the email above and this plan description to others or just the email. Put your own capture page number in place of the one link that requires it above.

Plan description:

A few words about this young lady and what awaits her:

We predict that she is going to be wealthy in heart and in money by sending out her email to many.

This wealth develops as each person helps save the lives of people by referring people to the product. Monetary wealth is generated as people join for the low cost of \$39.95 at the Silver level. At the Gold Level of \$89.90 they can order products at a 50% discount for the rest of the family. As they join and sponsor others they receive \$30 to \$60 weekly checks from infinity (renewing annually), and the monthly pay 2x15 spill over matrix begins to fill (not a binary, no balancing required for full pay). This matrix can pay well over \$131,000 per month residual. Even though this is a large income from the 2x15 matrix, it will not even be enough money to pay the taxes on the income possible from the unilevel that develops under each person as the 2x15 matrix fills from personally sponsored people.

One of the Nutronix key features is that many people are driven to sponsor 3 or more, but by only sponsoring 2 distributors they are qualified to make over \$300,000 per month in the 2x15 monthly pay spill over matrix. "They need only 2 but they get 10 or more." See the discussion of what happens under the 3rd person and see the sketch at www.nutronixrevolution.com . Select the comp plan tab. When you join use the ID number of the person who contacted you.

Powerful referral marketing people are joining to help us spread the word about Nutronix. They are joining for our products and for the fact that they are not limited to one \$30 to \$60 to infinity leg under the 3rd person but they can have as many as they want. They earn the \$30 or \$60 checks to infinity under their 4th person, 5th, 6th, 7th etc. Some have started over 100 and more legs. This can provide totally unlimited income in \$30 and \$60 checks and totally unlimited income from the "massive" size of the high pay naturally building unilevel structure and from the size of the 2x15 spill over, non-binary matrix.

Can you imagine the size of a person's unilevel with each person on average getting 10 legs started in the unilevel which goes 9 levels with infinity pay potential? Can you imagine the size of a person's \$300,000 per month 2x15 spill over matrix with each person, on average getting 10 legs started?

Why does the unilevel that naturally develops pay so much money? The answer is that one 6x9 structure in our fully compressible unilevel can have over 11 million people in it. You are paid up to 9 compressed levels plus an infinity bonus beyond the 9th level. This unilevel income will be much more income than that generated in the 2x15 matrix. The people in this \$300,000 per month 2x15 matrix are also be in the "massive" unilevel.

The \$39.95 cost to get started with Nutronix is the lowest cost of any residual referral business with this potential income that we have seen. This is a onetime cost for many people because prior to the second \$39.95 or \$89.90 payment in 30 days, people who refer a few people, have enough income in their account to cover the 2nd payment. The second payment is automatically deducted from earnings and the remainder is available as commission. This low cost to become wealthy is unheard of in a business with no employees, inventory to stock, no complicated paperwork to file, no time clock to punch, no boss to put up with and virtually no upfront cost at all.

As good as this sounds we have seen studies that show that 95% of all referral marketing people spend more than they make in marketing. This gives referral marketing a bad name. We have completely reversed this bad performance with our weekly "fast start" from infinity system and superior products. Watch the videos below to see how.

As we have said, one of the Nutronix key features is that by only sponsoring 2 you are qualified to make over \$300,000 per month in the 2x15 monthly pay spill over matrix. But many people sponsor more than 2 because of the huge reward associated with the "legs" under their 3rd person. Some of us call the 3rd person the

“Cadillac” leg because it can be more rewarding than receiving a Cadillac automobile for free. If we actually gave you a Cadillac when you sponsored your 3rd, how long would it take you to sponsor your 1st 2 to get to your 3rd?

Your 3rd person is potentially more valuable than a Cadillac because you receive \$30 and \$60 payments from infinity deep in 2x15 coded structures under the 3rd person. There is a huge amount of \$30 and \$60 weekly checks paid to you as thousands join under the first 2 legs of the 3rd person. That is the first 2 of the first 2 of the first 2 to infinity deep. This could represent over \$400,000 annual income in just 12 months. This is much more value than a Cadillac. Because of the value under this 3rd leg, many quickly go beyond sponsoring 2 to get their 3rd person sponsored.

In addition, this 3rd person provides “spillover” in your 2x15 monthly pay matrix and helps someone under you get their own 2x15 monthly pay matrix to begin to fill.

With everyone sponsoring at least 2 the magic of compound people kicks in big time. If you sponsor 2 and take all month and they sponsor 2 and take all month than in just 20 months any 2x20 structure would have over 2 million people in it. If this growth occurred under your 3rd person this would represent \$120 million per year in income from the \$60 checks. These same 2 million people and more are also in your 2x15 matrix which could represent over \$300,000 per month.

In addition, these same 2 million people are also in your fully compressible unilevel plan with infinity income. So from the same people you are paid in 3 major ways, \$30 and \$60 fast start renewing annually, 2x15 matrix and “massive” unilevel. All of the features of the Nutronix plan, being in one place, is completely new to networking. We have never seen it before.

As we said, powerful referral marketing people are joining to help us spread the word about Nutronix. They are joining for our products and for the fact that they are not limited to one \$30 or \$60 to infinity leg under the 3rd person but they can have as many as they want. They earn the \$30 and \$60b checks to infinity under their 4th person, 5th, 6th, 7th etc. Some have started over 100 and more legs. This is totally unlimited income in \$30 and \$60 checks and totally unlimited in the size of the high pay naturally building unilevel structure. Can you imagine the size of a person's unilevel with each person on average getting 10 legs started in the unilevel which goes 9 levels with infinity pay potential? Can you imagine the size of a person's \$300,000 per month 2x15 spill over matrix?

The is one final feature to mention. This feature can help the 2x15 matrix go well beyond \$300,000 per month. This feature provides a “very near” 100% matching bonus on your personally and many non personally sponsored people. This phenomenon is made possible by the free reentry profit centers that you are given in you 2x15 monthly pay matrix. You get one of these each time you sponsor 2 who sponsor 2. This allows you to always put your builders on the first level of a new 2x15 overlapping double dipping matrix in your top matrix. When the builder fills their matrix to \$327,540 per month you receive \$163,770 per month plus infinity which could give you 100% match. If that builder was put on the first level of your profit center by someone else, you still get the 100% match. And in conclusion, the free profit centers have the effect of changing a matrix into a unilevel.
